SUBJECT: Proposed Revision of [REDACTED] "POLITICAL ACTIVITY  
BY AGENCY EMPLOYEES" (Job #1391 - REB).

1. This office concurs in the subject proposed publication.
2. In the interest of clarity and emphasis, however, it is recommended that the following be substituted for the present paragraph 4.

"4. Agency personnel must be particularly circumspect in adhering to the restrictions cited above in view of the fact that any participation in political activities may not only reveal their relationship with the Agency, but may also be construed as a reflection of an official policy or position of the Agency. Attention is invited to [REDACTED] which requires that prior security clearance be obtained with regard to publications, to speeches, and to other private activities which might reasonably be construed to affect the security of the Agency, directly or indirectly."
